

A.D. 2010—The Body of Christ (Argyle)

The Dust Settles

“First day, Students” Pair that with some date in August and it is like seeing time passing visibly; this is a practical end to summer, though the calendar and the temperature share a contrary opinion. We pray blessing and growth on beginning and returning students, teachers, administrators, and support people. We pray for a deepening faith to those we send on, off, or back to college, as they prepare for bigger challenges and life vocations. The Spirit is mighty.

End of summer signals LIFE Group Kick-Off tonight, church! LIFE Groups may start with spits and sputters this month - there is Relationships Matter next Sunday and Labor Day weekend looms September 5, but some of our groups are determined and eager to be together. We really want to be here tonight to catch the spirit of connecting.

We have offered our hands in service these last months - missions trips, camp weeks, mystery trips, VBSes, visitations, benevolence works, encouragements, healing hurts... we have prayed hard and played hard together. The vinedresser now prunes the branches and prepares for the next fruit bearing season.

It is the Father's glory that we bear much fruit, seen first in prayer, then obedience, then joy. The prospect of renewal, of hearing Jesus' words and having them remain in us, of being so much more than Jesus's servants, but of being called his "friends" (John 15:15) - this is the Lord's work in us. We realize at some point, he chose us. And then we realize the why: he chose us to go and bear fruit. Let's! - Ken
