

A. D. 2010 - The Body of Christ (Argyle)

Bogged Down or Awaiting the Second Wind?

Most of us with ambitions to read the Bible have made that promising start to plow through and find the blessing we are convinced God intends for us.

And most of us have crashed on the rocks that await such noble undertakings - if we made it through several genealogies that break up the stories in Genesis, we trip over the strange rules in Exodus or just go to sleep with the priest and sacrifice descriptions in Leviticus. We think, what in the world is this about, anyway, and what in heaven's name does it have to do with me and today?

If that is you, then Wednesday night, the "textual study" adult Bible class this season is designed to acquaint us with the kinds of things we will encounter in our Bible readings, and what to make of them, and how they fit in the big picture. Genealogies, priestly codes, wisdom literature... here we come!

Upcoming HALO Events

We will be organizing two teams of volunteers to help manage two fund raising events that are coming up.

We are participating in the PGA sponsored Tickets FORE Charity golf tournament at Sawgrass in late October and are selling tickets to this event. HALO receives 100% of the face value of every ticket we sell.

We are also hosting the first ever HALO fishing tournament (Hooked on HALO) at Sisters Creek Marina on Saturday, October 24th. We will need to attract sponsors, fishing participants and manage a large public event.

Both events are great opportunities to serve the orphans in Liberia, as all proceeds from both events will benefit HALO and the work that Fungbeh and Neyor are doing in Liberia.

Raised in Christ

We celebrate the baptism of a guest right after morning worship this past Sunday. 'Yay', for our new brother in Christ, **Sam Harris**
