

A. D. 2010 - The Body of Christ (Argyle)

## Honoring Heritage

June 1991 is the month when the Argyle church family transitioned from concept to production, so June 2010 wraps up the 19th year of ministry as a church, and it readies us for a launch into our 20<sup>th</sup> anniversary year. Some of our kids have grown up here and have no other memory of a “home” church!

Anniversaries are times when we take stock of where we have been and what has happened to us to make us the people we are. When we talk about church, because the Spirit is so vital to our identity and experience, we are linked to those who have gone on before, to prophets, apostles, martyrs, and pioneers in the faith. These are people whose sacrifice has fed our faith in the Father and our trust in Jesus. They are saints who have proved to us again and again, the Spirit is mighty.

As I prepare this copy, we get ready for a blood drive (today!), we are collecting cleaning supplies for flood relief in Nashville, we are consecrating in prayer two short term “missions” teams, one to Nicaragua, one to New Orleans, we are gearing up for Vacation Bible School at the last of the month, preparing for promotion Sunday, acclimating a youth minister, and looking to encourage the next person who is searching for God.

We might mark our history more appropriately, if it were not for the fact that our present demands such attention and the time to come is so full of promise.

So, in thanksgiving we remember the women and the men, ministers all, whose shoulders we stand on, we will sing some older songs, we will flash a heritage picture or two, and we will honor Jesus Christ, the same yesterday, today, and forever. - Ken

God is sovereign.
