

A. D. 2010 - The Body of Christ (Argyle)

The Merry Month of May

LIFE Group last week broke the 200 mark, even with one group playing hooky! **LIFE Groups** are scheduled to meet tonight, but then we have two weeks off – next week for **Mother's Day**, and the week following, we are together for **Senior Blessing** on Sunday evening May 16.

The weekend of May 7-8 - **Jr/Sr Celebration** [high schoolers] is May 7-8 at the Sayre farm in Madison; Saturday, May 8th is a **preparation day** for the June **Nicaragua Trip** – help prepare the mobile VBS and the medicines for distribution.

Mother's Day, May 9th – we plan to have our prayer of dedication and recognition for parents and their children who were born since last year.

Charlie sells, in the waning days of bachelorhood, will make a brief appearance toward the end of May, to begin his ministry as youth intern, initiating the staff transition towards the end of the summer. He and Hayley get married in June, and then both will be part of our church family.

Teaching in our church class program? - there is an **appreciation event** scheduled May 22nd (Sat.).

May 23 is **Pentecost** – the Jewish feast day forever changed by the descent of the Spirit on Jesus' disciples, and then God's gift of the Holy Spirit to all who "repent and" are "baptized," indeed, all whom the Lord our God will call.

Pentecost is like a birthday celebration, and because of the presence of the Spirit in and with us, a testimony to God's faithfulness to his promises. Happy May! Looking forward to Memorial Day weekend? Redeem the time! - Ken

Sermon Notes

Kenneth Mick

The Body of Christ A. D. 2010 Knowing God as Giver Genesis 1, Acts 17, Romans 11 et al.

1. Where giving begins –
with the Lord who owns all
because he created it.
2. God's nature: to give and
to give generously.
3. Ultimately: God so loved the world
that he gave his son
This is total giving.
4. Our giving:
God does not need it
Our giving is a response to him
No one puts God in debt.
All we can say: Amen.

Lunelle Henley (Jan Phillips' mother) - is home and being cared for by Jan's father..

Marie Howorth began chemo therapy last week.

Gaynell Kind (Eddie Phillips' mother) - her blood pressure appears to have stabilized. Her Dr. believes the symptoms she experienced were not actually caused by the BP but rather another "treatable" condition. The BP spikes were her reaction to the primary problem.

Abby Mallon (Nancy Crawford's 36 year old second cousin) - her cancer has been identified as in the early stages which gives treatment a good chance of success. She will have surgery on May 18.

Rusty Mick (Ken's brother) - had a successful kidney transplant a week ago.

Sam Sprout—was diagnosed with progressive Parkinson's disease. He was scheduled for an MRI of the brain. He has already begun medication therapy and physical therapy.

Work Day For Nicaragua Mission Trip

Next Saturday, MAY 8TH from 9:00 - 11:00ish will be our annual work day to compile VBS material for the medical mission trip in June. This year we also have thousands of vitamins that need to be counted in groups of 30 as well as begin packing all the medical needs you have contributed. If you can count, cut, staple, sharpen pencils or package toothbrushes and toothpaste, we can use your assistance. Without the assistance of so many people, this work would not be as effective.

Camp Kitchen Staff - Sunday July 18th - Saturday July 24th,

You have a great opportunity which only comes once a year to both increase your culinary skills and enjoy a serene, country setting. yes, we need camp kitchen help! If you can come for even one day of camp, we'd love to have you. You would have air-conditioned quarters to stay overnight if needed (it's a 4-hour round trip drive to High Springs). Get together a group of buddies and spend a few days at camp! A sign up sheet is in the foyer.

ALSO: We will need a nurse for the first half of the camp, Sunday, July 17 through Wednesday, July 21.

Teacher Appreciation:

Traditionally, the month of May is when we show our appreciation to teachers who have worked with our children. This week is Teacher Appreciation Week, have you told your child's Bible School Teacher how much you appreciate the time and work they spend to teach your child(ren) the Bible? These teachers are the ones who set the foundation for your child's spiritual growth. Don't forget the Wee Worship teachers and Wed. night teachers also.
