Sermon Notes

Kenneth Mick

Connecting in Prayer

Luke 11:1-

1. Teach us to pray – not as a technology.
 Disposition of the heart.
2. What is our opinion of God?
3. Confession of our impression of God.
 Don't value God, will we value people?
4. Get us involved in the interests of God.
5. Recognize people have needs!
 Not exhausted in material needs
6. And forgive our sins –
Leading to forgiving others.
7. Lead away from trials unprepared for.
8. Prayer as a beautiful discipline,
 feeding a relationship of communication.
